PSINOVA Document Service Engine 2.0 Achieves SAP certification as powered by SAP NetWeaver®

SAP® Certified
Powered by SAP NetWeaver®

Tägerwilen, Switzerland – March 18 2016 – The PSINOVA AG today announced that its PSINOVA Document Service Engine 2.0 has achieved SAP certification as powered by the SAP NetWeaver® technology platform.

PSINOVA Document Service Engine (DSE) integrates with SAP NetWeaver and offers multiple conversion, rendering and extraction functionalities for documents created or processed in SAP® Business Suite software.

The SAP Integration and Certification Center (SAP ICC) has certified that PSINOVA Document Service Engine 2.0 integrates with SAP NetWeaver 7.31 as an add-on to ABAP® programming language for use with the SAP ERP application. Solutions that are powered by SAP NetWeaver can be more quickly and easily integrated into SAP solution environments. Customers can benefit from improved interoperability with SAP applications and with the large ecosystem of solutions that run on SAP NetWeaver. Choosing an SAP-certified solution can also help reduce overall IT investment costs and risks.

“The modular scalability and flexibility of Document Service Engine is designed to enhance existing and new customer solutions running on SAP NetWeaver and PSINOVA software,” said Klaus Pecher, director of sales at PSINOVA AG.
